Volume 30

Tradition

The students at Kiski uphold many of Kiski's old traditions. The chanting at pep rallies, school spirit on Sweatshirt Day, and the superb performance on Band Night are a few that exist here. The thought for the day, the Annual Telethon, and Thursday morning donut sales are others.

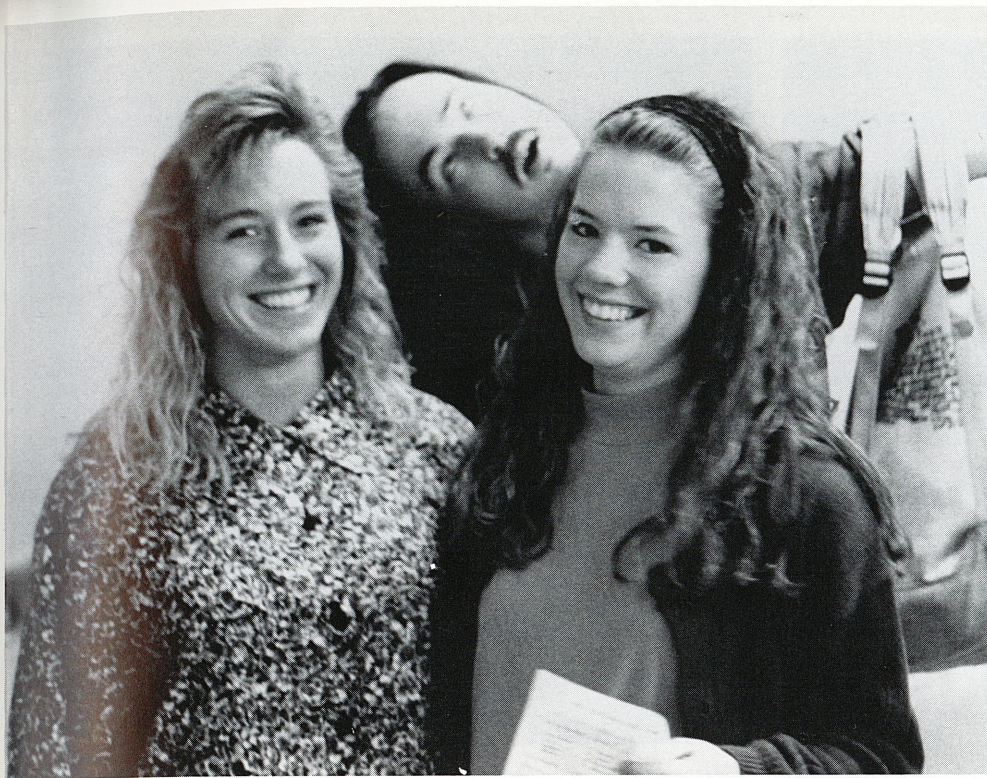

Telling freshmen where the elevator is, the excitement of Homecoming, the dangers of parking in Giant Eagle's lot, and planning Senior Skip Days are traditions that occupy seniors.

Also, every June, seniors participate in a very important tradition—graduation. After they receive their diplomas, adjust their tassles, and move on, they will remember their years at Kiski.

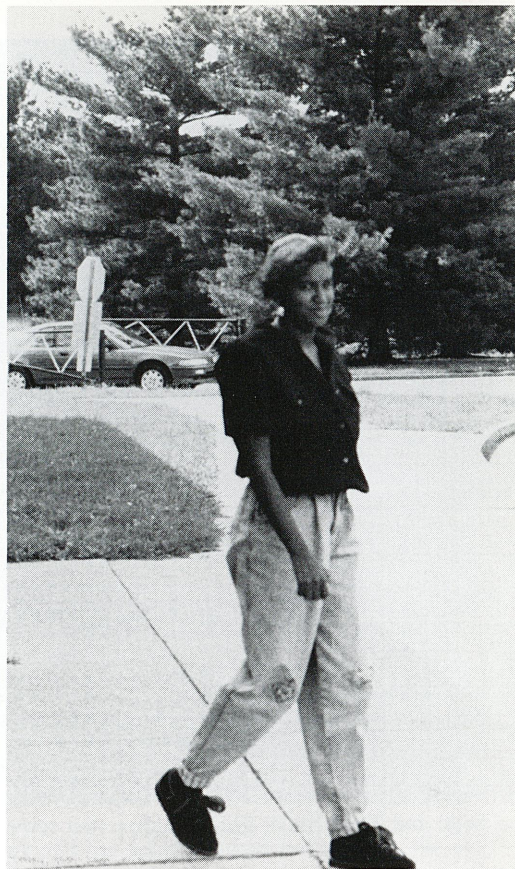

For thirty years, students at Kiski have created and upheld numerous traditions. That's what makes Kiski so special.

Dayna Graham and Rachel Gemza head home after a busy school day.

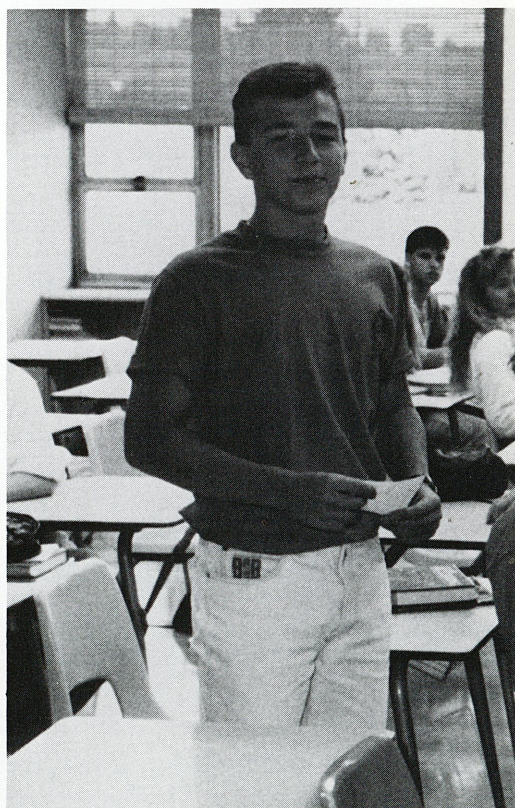

Kelly Hunt, Howie Fitzgerald, and Amy Albertson say, "Cheese!"

Tonya Webb takes a stroll around campus between classes.

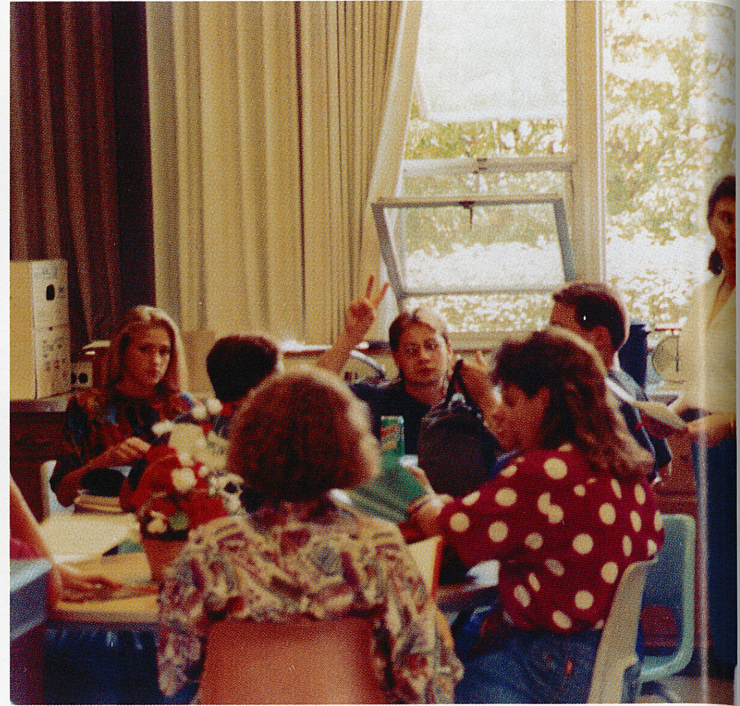

Are these students paying attention?

Jerry Faulk wonders, "Why are you taking my picture?"

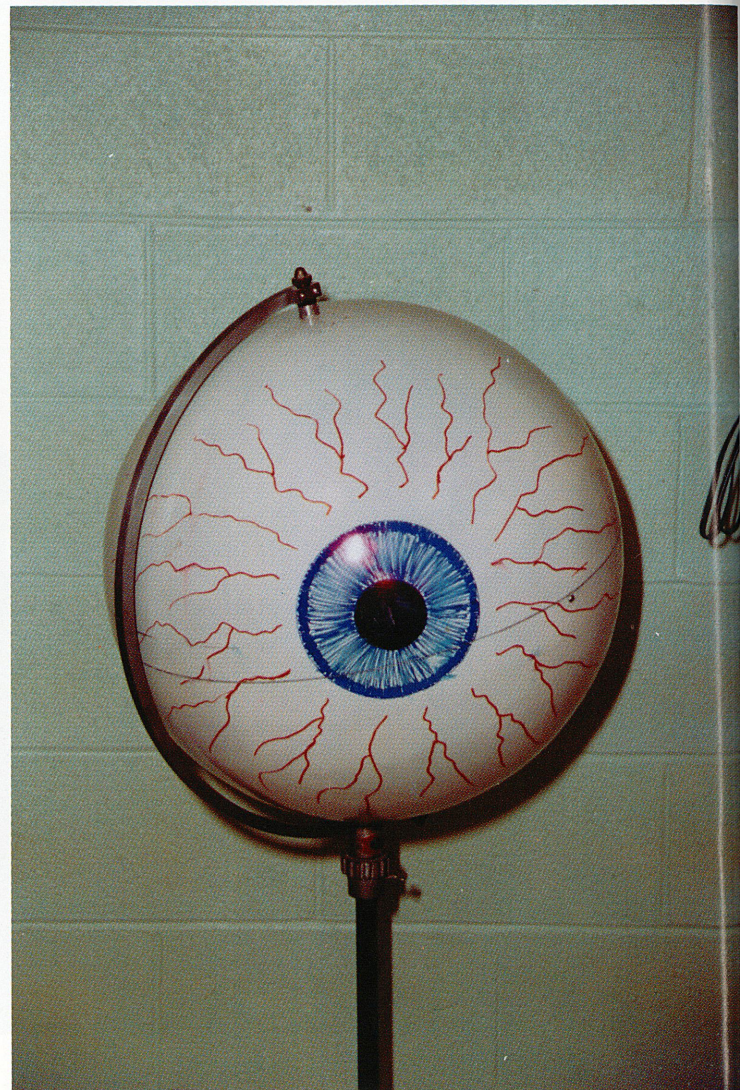

Lou Seijo and Todd Sluka finally realize that someone is spying on them.

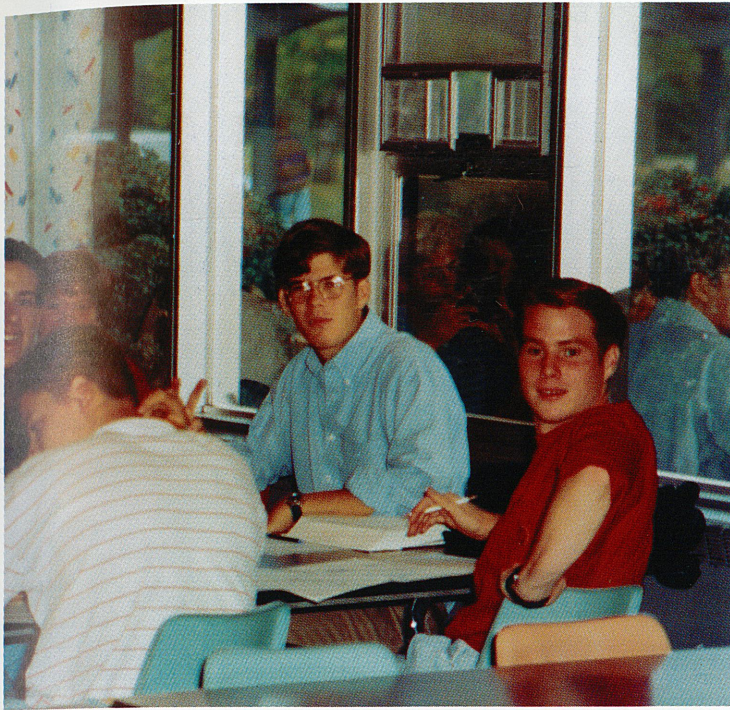

These students take a break from Mrs. Daugherty's Foods class.

J.J. Watkins goes for a jog to relieve some stress.

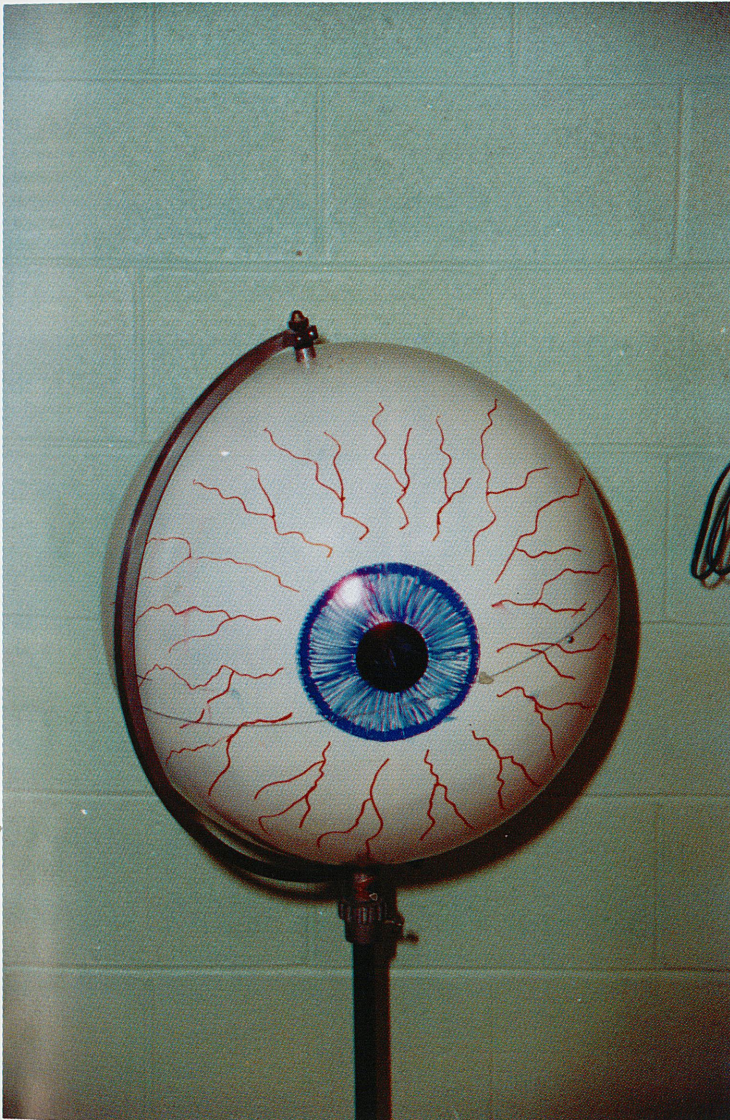

Brian, Nathan, and Ryan pause for a minute during the grueling task of studying.

We get to take a peak at what keeps Andrea busy during the day.

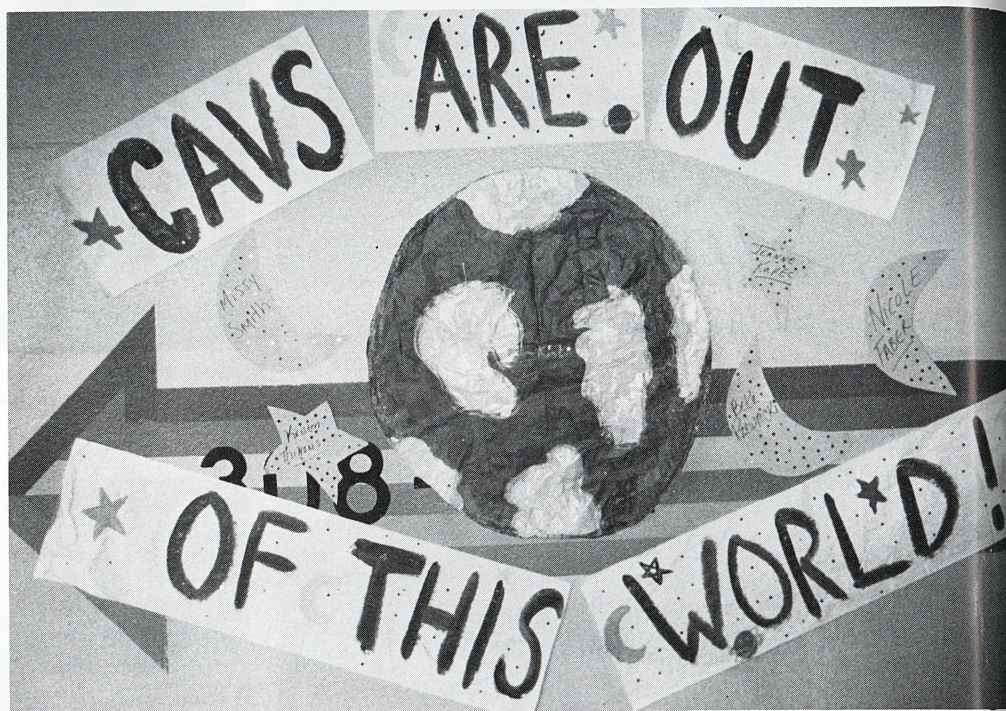

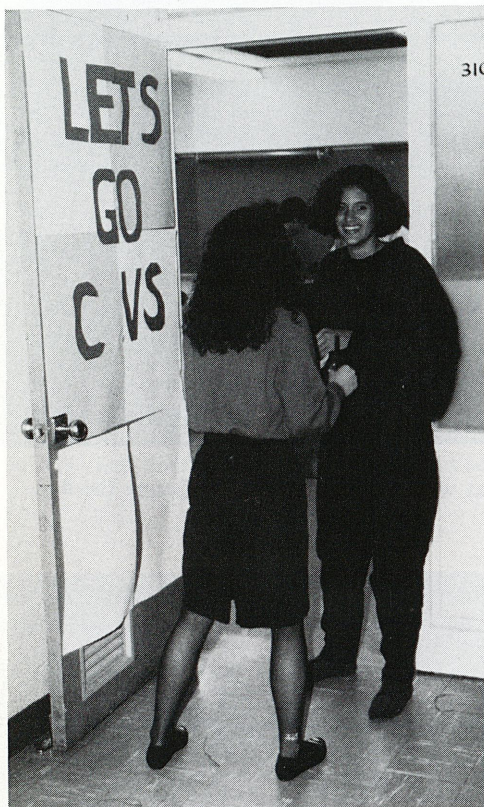

Shelley becomes shy when she sees a camera aimed in her direction.

Kelly Gourley is sporting her new jeans as she walks down the hall.

Jamie Lowers admires her friends' fashionable tastes.

Styles

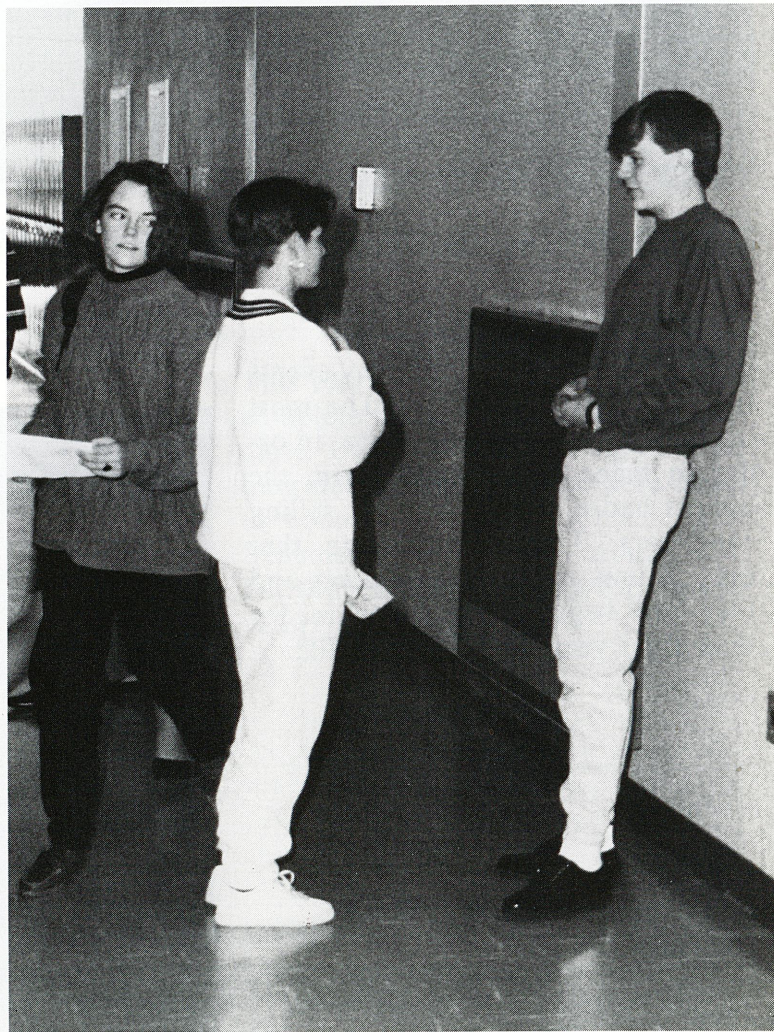

Erica Brown and Lisa Lawhorn show off their casual summer wear as they walk down the senior hallway.

Dana Lace's smile shows that she likes the natural look.

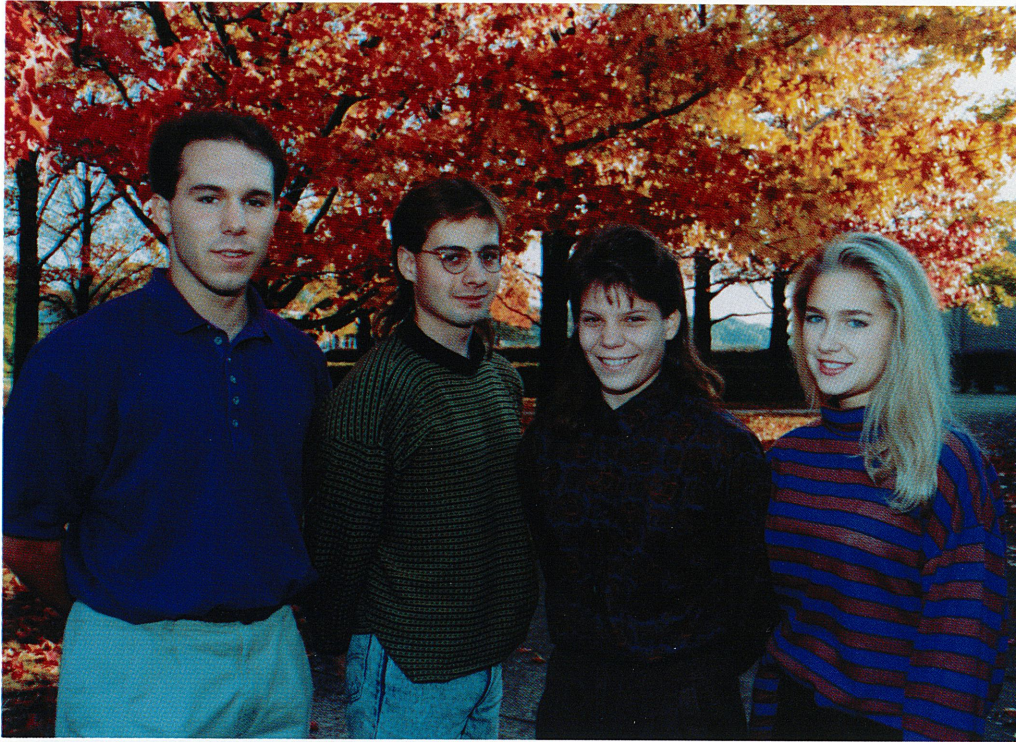

When you walk down the halls of Kiski, you see many different styles and fads. There are many different types of hairstyles and fashion trends that the students at the Big "K" are wearing. Hypercolor shirts, plaids, comfortable jeans, and beaded necklaces are but a few fashion trends. Sideburns are the current haircut for many of Kiski's students; however, some prefer the more traditional natural look!

Mara Kudrick looks on as Bob Holmes and Shelly Voithofer discuss the fashion trends.

1991-1992 Class

Seniors

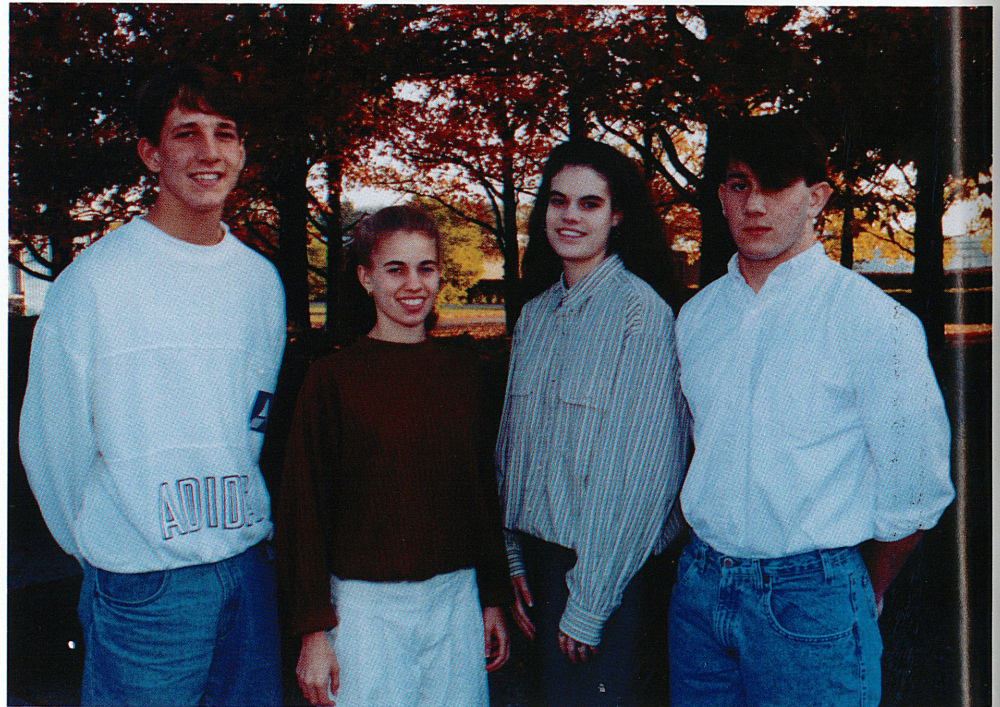

Jason Ross, Secretary; Dave Gibson, Vice President; Jackie Morlacci, President; Holly Heid, Treasurer.

JUNIORS

The class of 1993 had many events to help their year go fast. The most important event was the prom. In order to make the prom happen, the juniors had a huge fundraiser selling candybars. They now realize that their futures are only a year away and they are beginning to prepare for their final year at the Big "K"!!!!

Juniors

Scott Cignetti, Vice President; Gina Camilli, President; Kim Kiebler, Secretary; Mike Dentzel, Treasurer.

Officers

Sophomores

SOPHOMORES

To relax from the grind of their academics, the Sophomore class planned the traditional Freshman-Sophomore Dance which took place in the Lower Cafeteria. The class of '94 is no longer timid freshmen. They are sophomores who are into the swing at the Big "K"!!

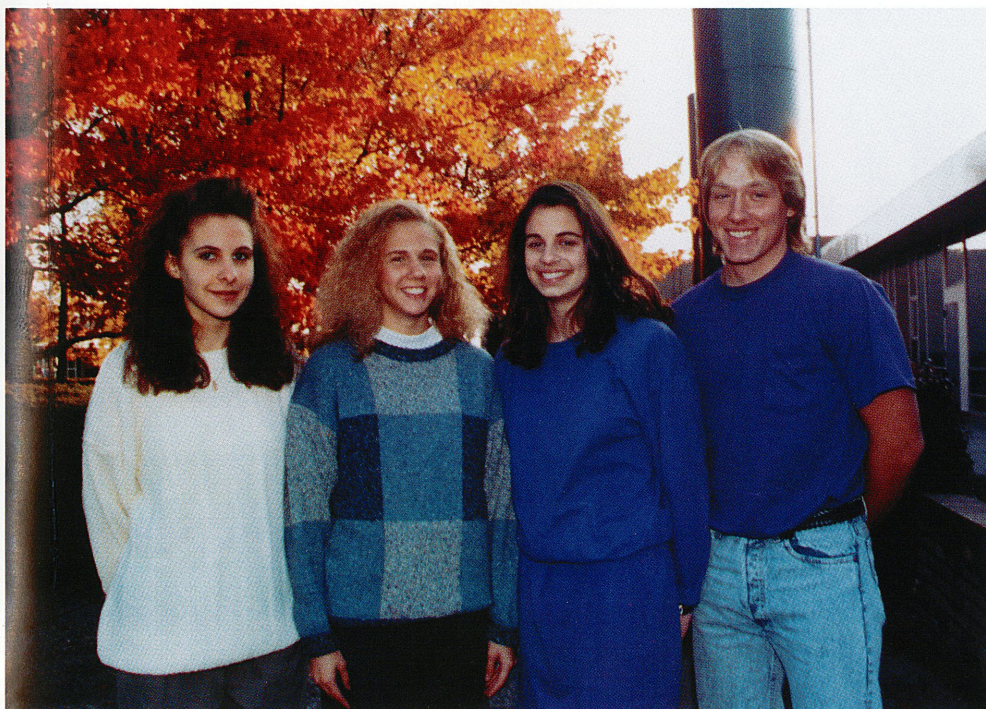

Gina Girardi, Treasurer; Jon Dykes, President; Mara Kudrick, Vice President; Leanne DiNinno, Secretary

Freshmen

FRESHMEN

This year's freshmen were the first to complete two years at Kiski Intermediate. Even though they enjoyed the intermediate school, they were eager to come to the high school. Most freshmen know their way around now, but some are still looking for the elevator!

Sherri Shreckengost, Treasurer; Lynn Walton, Secretary; Lana Gasperini, President; Matt Aul, Vice President

YEARBOOK

Each new year brings together another talented group of people to the Campus Staff. These dedicated members work together to produce a successful yearbook.

The Campus Staff is composed of the executive, literary, and production staffs, photographers, and typists. Offering guidance and supervision, the executive staff shares their knowledge for the benefit of the yearbook. The literary staff contributes their individual creativity in the writing of articles and picture captions. Members of the production staff are accredited for the lay-out of pages and the general appearance of the yearbook. Campus photographers can be found behind the flash of cameras at most sporting events and in the halls. Articles, student messages, and the senior index are examples of the typists' arduous work.

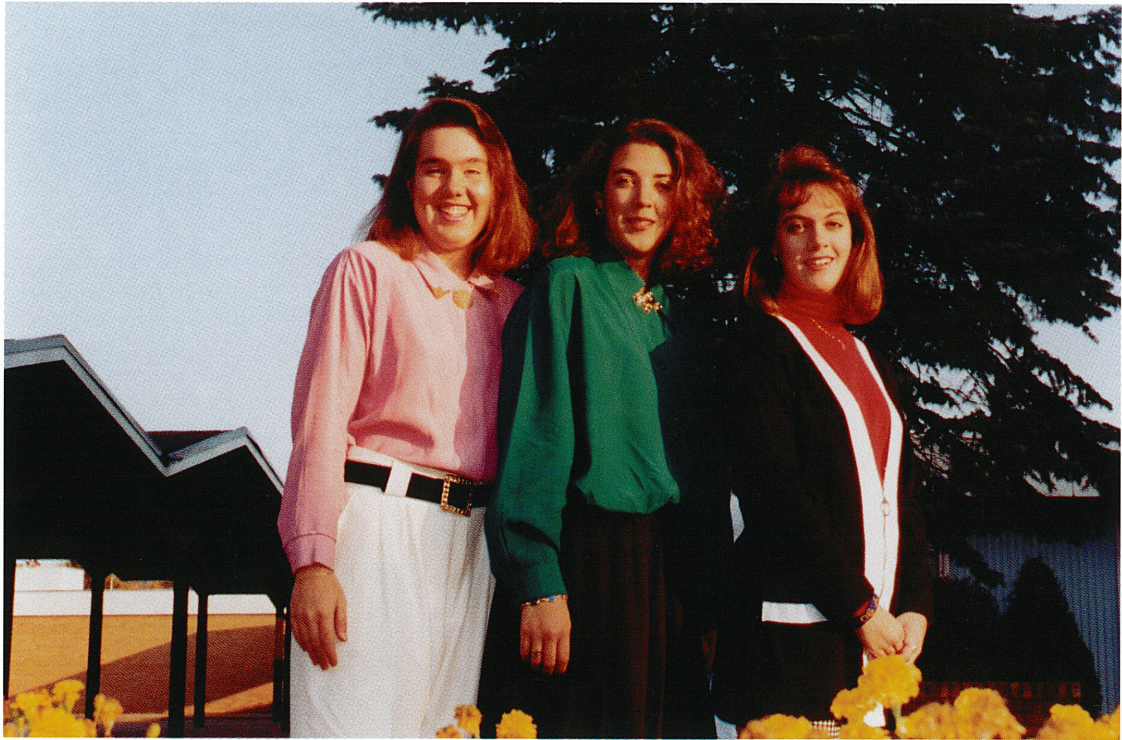

Through all the painstaking work and strenuous deadlines, dedication and inspiration, a successful yearbook is produced to create a moment to last through the years, bringing warm feelings of pride, confidence, old friendships, and most of all - the memory of youth.

The yearbook is financed by parent patrons and the selling of local business advertisements, student messages, and donuts.

Homecoming

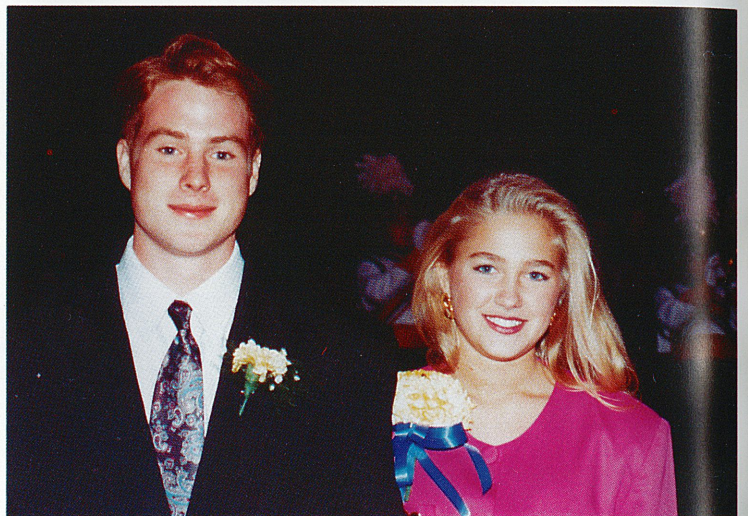

Megan Strednak and her escort Kirk Celko smile nervously as the long-awaited moment arrives.

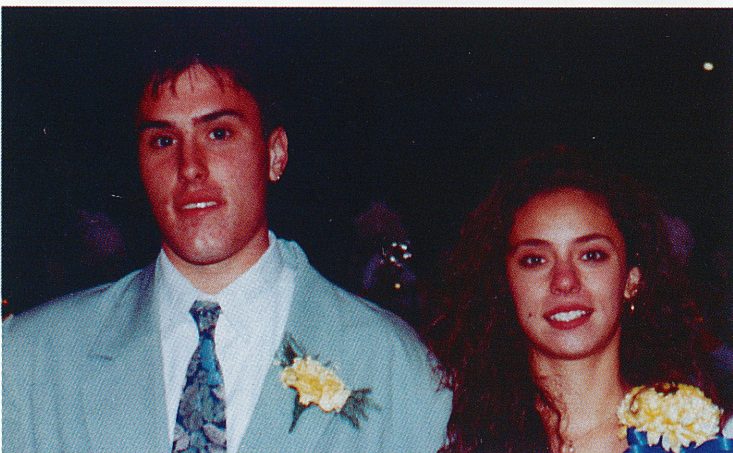

Danielle Lauffer and her escort Herb Long are both excited and nervous before the big announcement.

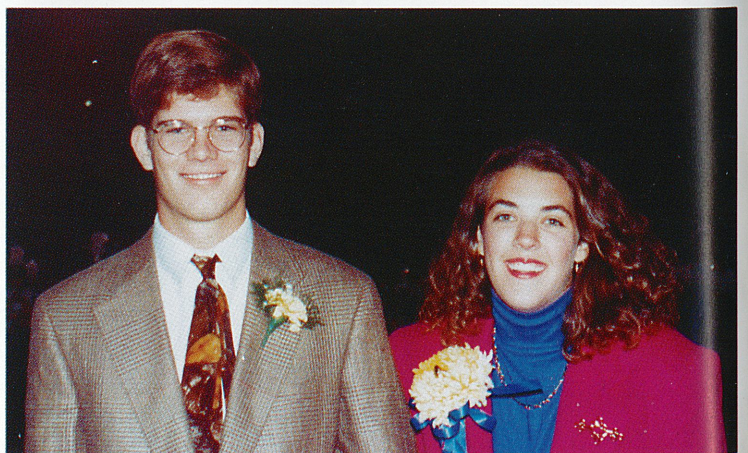

Tricia Nabors and Jacob DeToma beam energetically while waiting for the big moment.

Holly Heid and her escort Ryan Jones anxiously await the announcement during halftime.

HOMEcoming

On the night of September 27, the Homecoming Court and their escorts anxiously awaited half-time of the Kiski-Central Catholic game.

Nicole Faber, escorted by Nathan Celko; Holly Heid, escorted by Ryan Jones; Danielle Lauffer, escorted by Herb Long; Sandra Maxim, escorted by Michael Tagliati; Tricia Nabors, escorted by Jacob DeToma; and Megan Strednak, escorted by Kirk Celko nervously sat waiting for Mr. Veselicky's announcement of the 30th Kiski Homecoming Queen.

As a hush fell over Davis Field, Danielle Lauffer was pronounced the 1991 Kiski Area Homecoming Queen.

No member of the court truly lost, as it was an honor to be recognized. It was a beautiful evening that Danielle, Nicole, Holly, Sandra, Tricia, and Megan will keep in their memory forever.

Rebecca Fazio, daughter of Mr. and Mrs. Ken Fazio, carried the crown for this year's Homecoming Queen.

Danielle Lauffer displays her excitement after being announced Queen.

Last year's Homecoming Queen, Angela Murphy, crowns the new 1991-92 Queen, Danielle Lauffer.

HOMECOMING QUEEN

On September twenty-seventh, nineteen-hundred ninety-one, Danielle Lauffer was crowned the 1991-92 Homecoming Queen during halftime at Davis Field. Danielle, escorted by Herb Long, was both surprised and excited when this unexpected event occurred. After Danielle graduates, she would like to continue her schooling and someday become a Retail Manager. For most of us, Friday, September 27 was just another day. But that day will be special in Danielle's memories forever.

Danielle smiles for the camera after accepting her crown.

Senior Specials

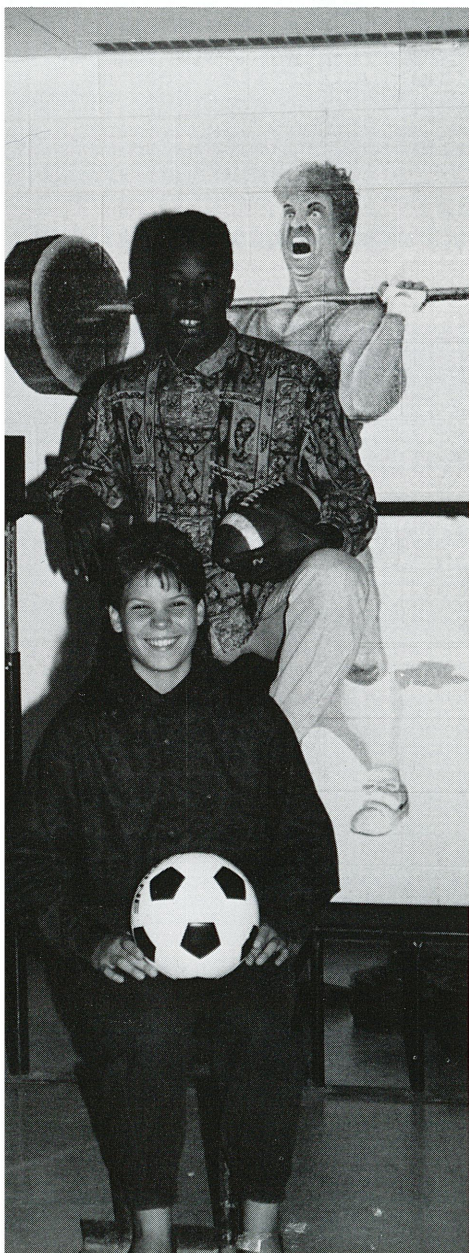

As the same in the past, this year started out selecting Senior Specials. The decision was hard to make but after a few days of pondering, the Senior Specials were chosen. Even though every senior is special these stand out among the crowd.

Mr. Greg Balla, teacher of the year for 1990-91, has been active throughout his teaching career. For the last six years, it has been his warm, friendly voice that you hear at the boys' basketball games. Mr. Balla is also co-advisor for the senior class and advisor of the Gifted Forum. Inspired by his eighth grade history teacher, Mr. Balla has been teaching for 19 years. He teaches freshman history and sociology. Through his round table discussions he helps his students express their beliefs and values. He feels that all teachers should become actively involved with their students. As each student moves on, they will always remember the man who made them walk outside if they didn't have a pass for the office . . . Mr. Balla!

Two teachers confer about their students.

Mr. Balla leans casually on the Doorway.

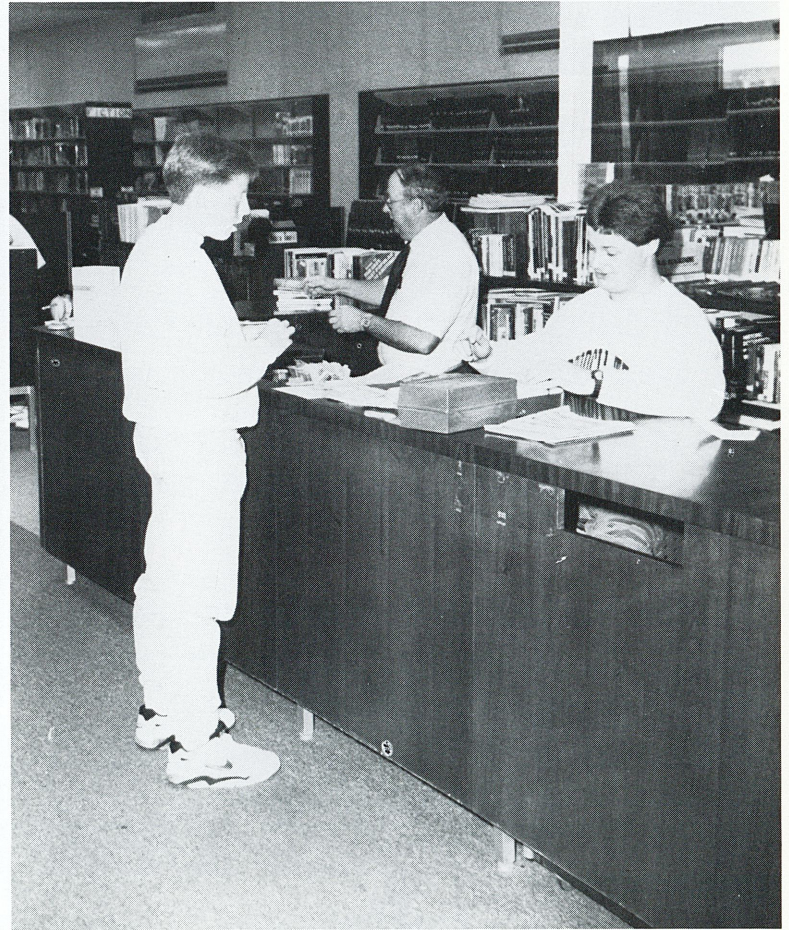

Mr. Toland discusses Trig with student Mary Marhefka

The faculty and administration of Kiski carry on the long tradition of excellent education. The education of today's youth is very important, and not always taken seriously by the student. Fortunately, Kiski's teachers take education seriously, and try to prepare us for our future.

Not only do the teachers and administration guide us through education, they also put in extra time for school activities and clubs.

Without our teachers, Kiski would be a very boring place to be.

Mr. Kulas is always keeping busy.

For students who seek employment directly after graduation, there is the choice of Vo-Tech. These students begin attending specialized classes in their sophomore year. They attend Vo-Tech classes one-half of the day while spending the other half of the day taking traditional high school courses.

Examples of courses offered at Vo-Tech include medical assisting, food services, auto repair, carpentry, and art. At the New Kensington school, students receive hands-on experience in their chosen field.

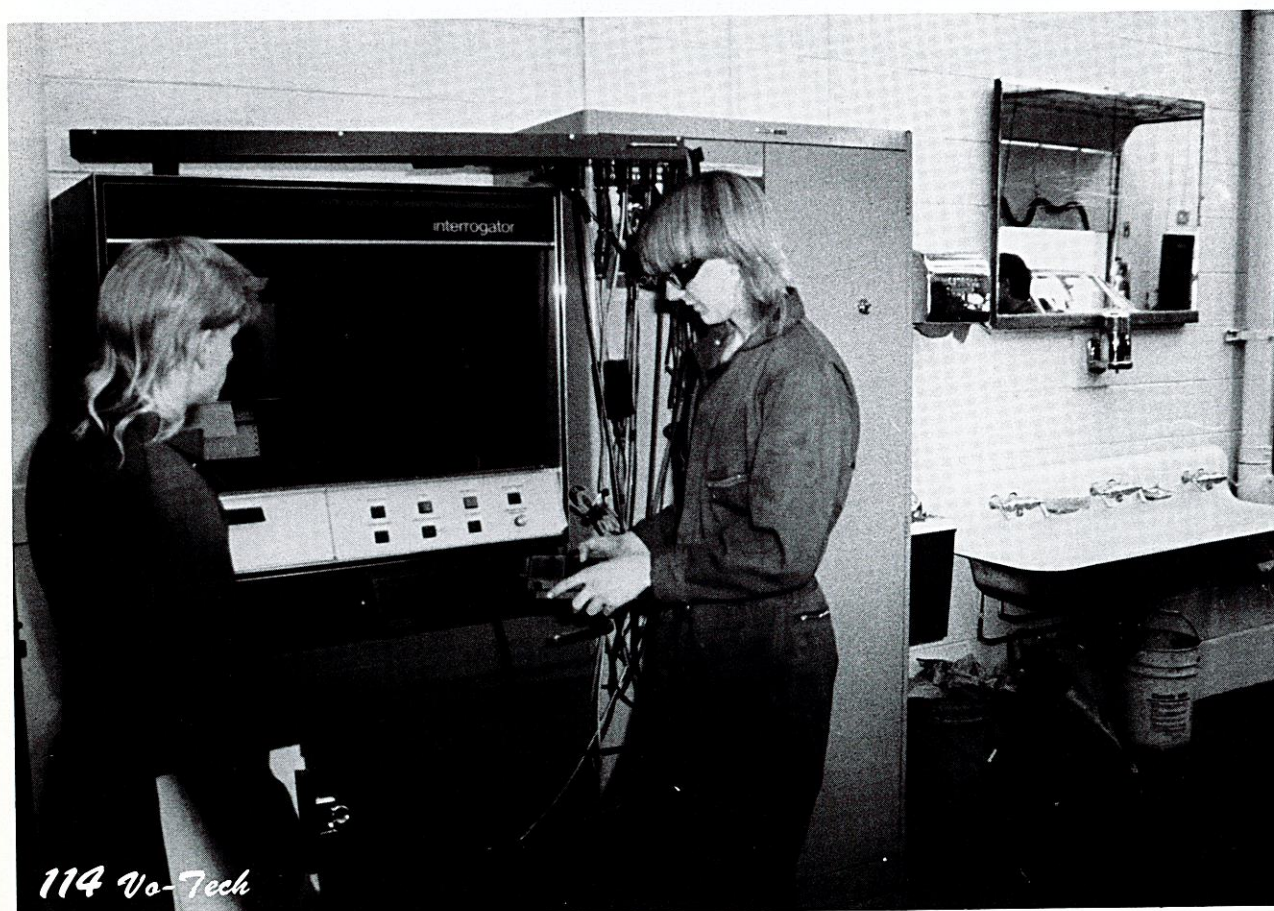

While this form of education is fun, they are gaining background skills and meeting other students from Franklin, Burrell, and Vall school districts.

Graduates from Vo-Tech will put their practical knowledge and skills to good use after gaining employment.

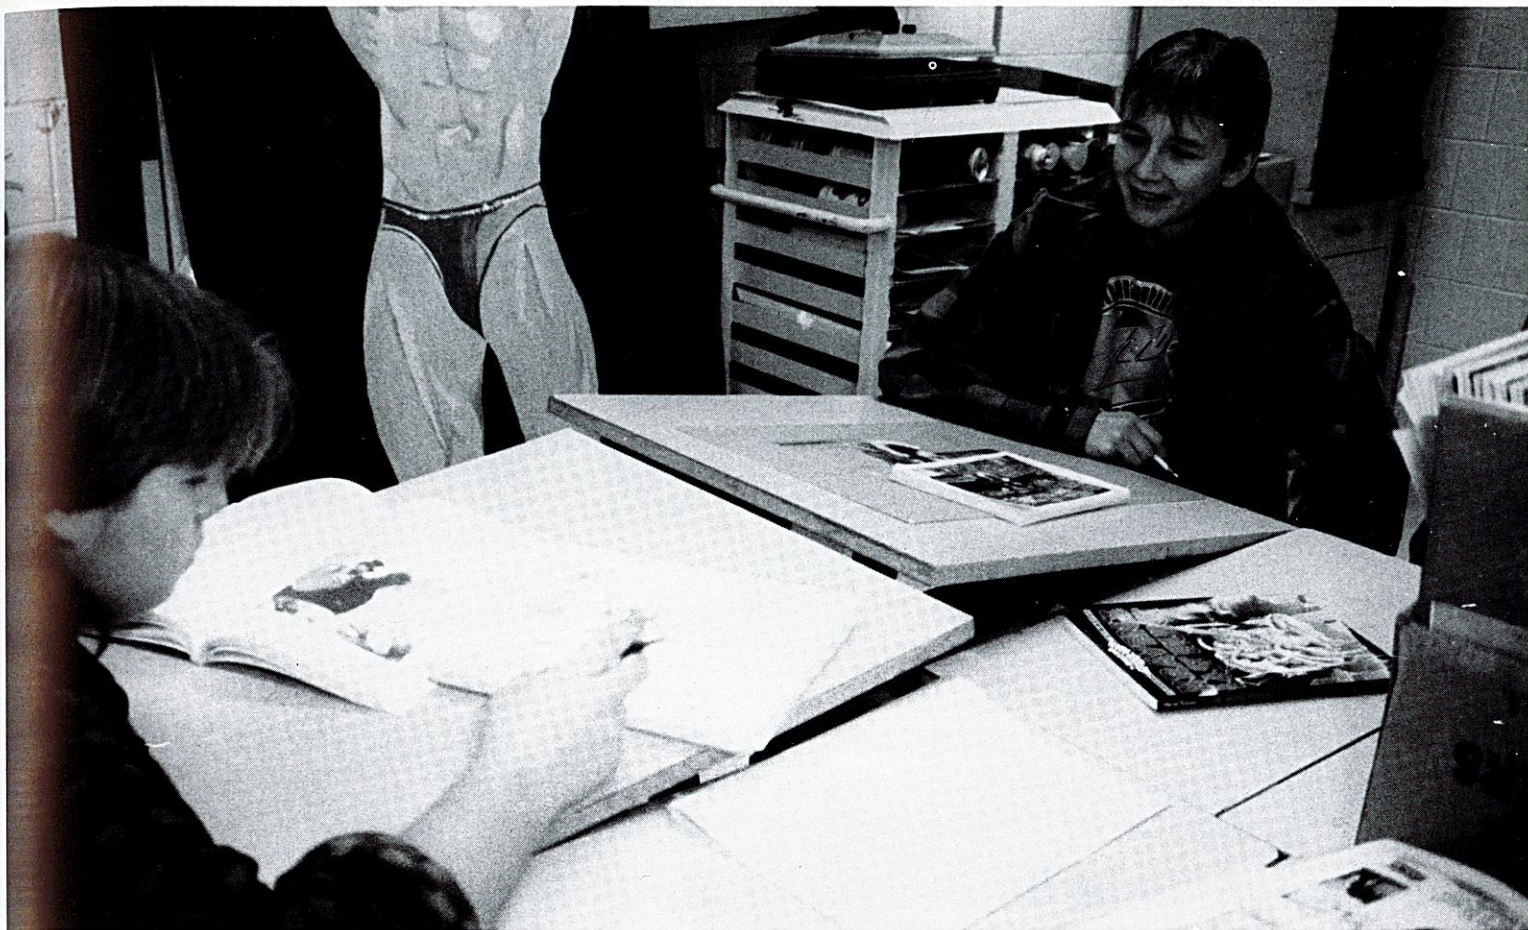

Above: David Keltz makes a purchase at the Vo-Tech Snack Stand.
Below: David Hollobaugh and David Barr work at putting the Interrogator.

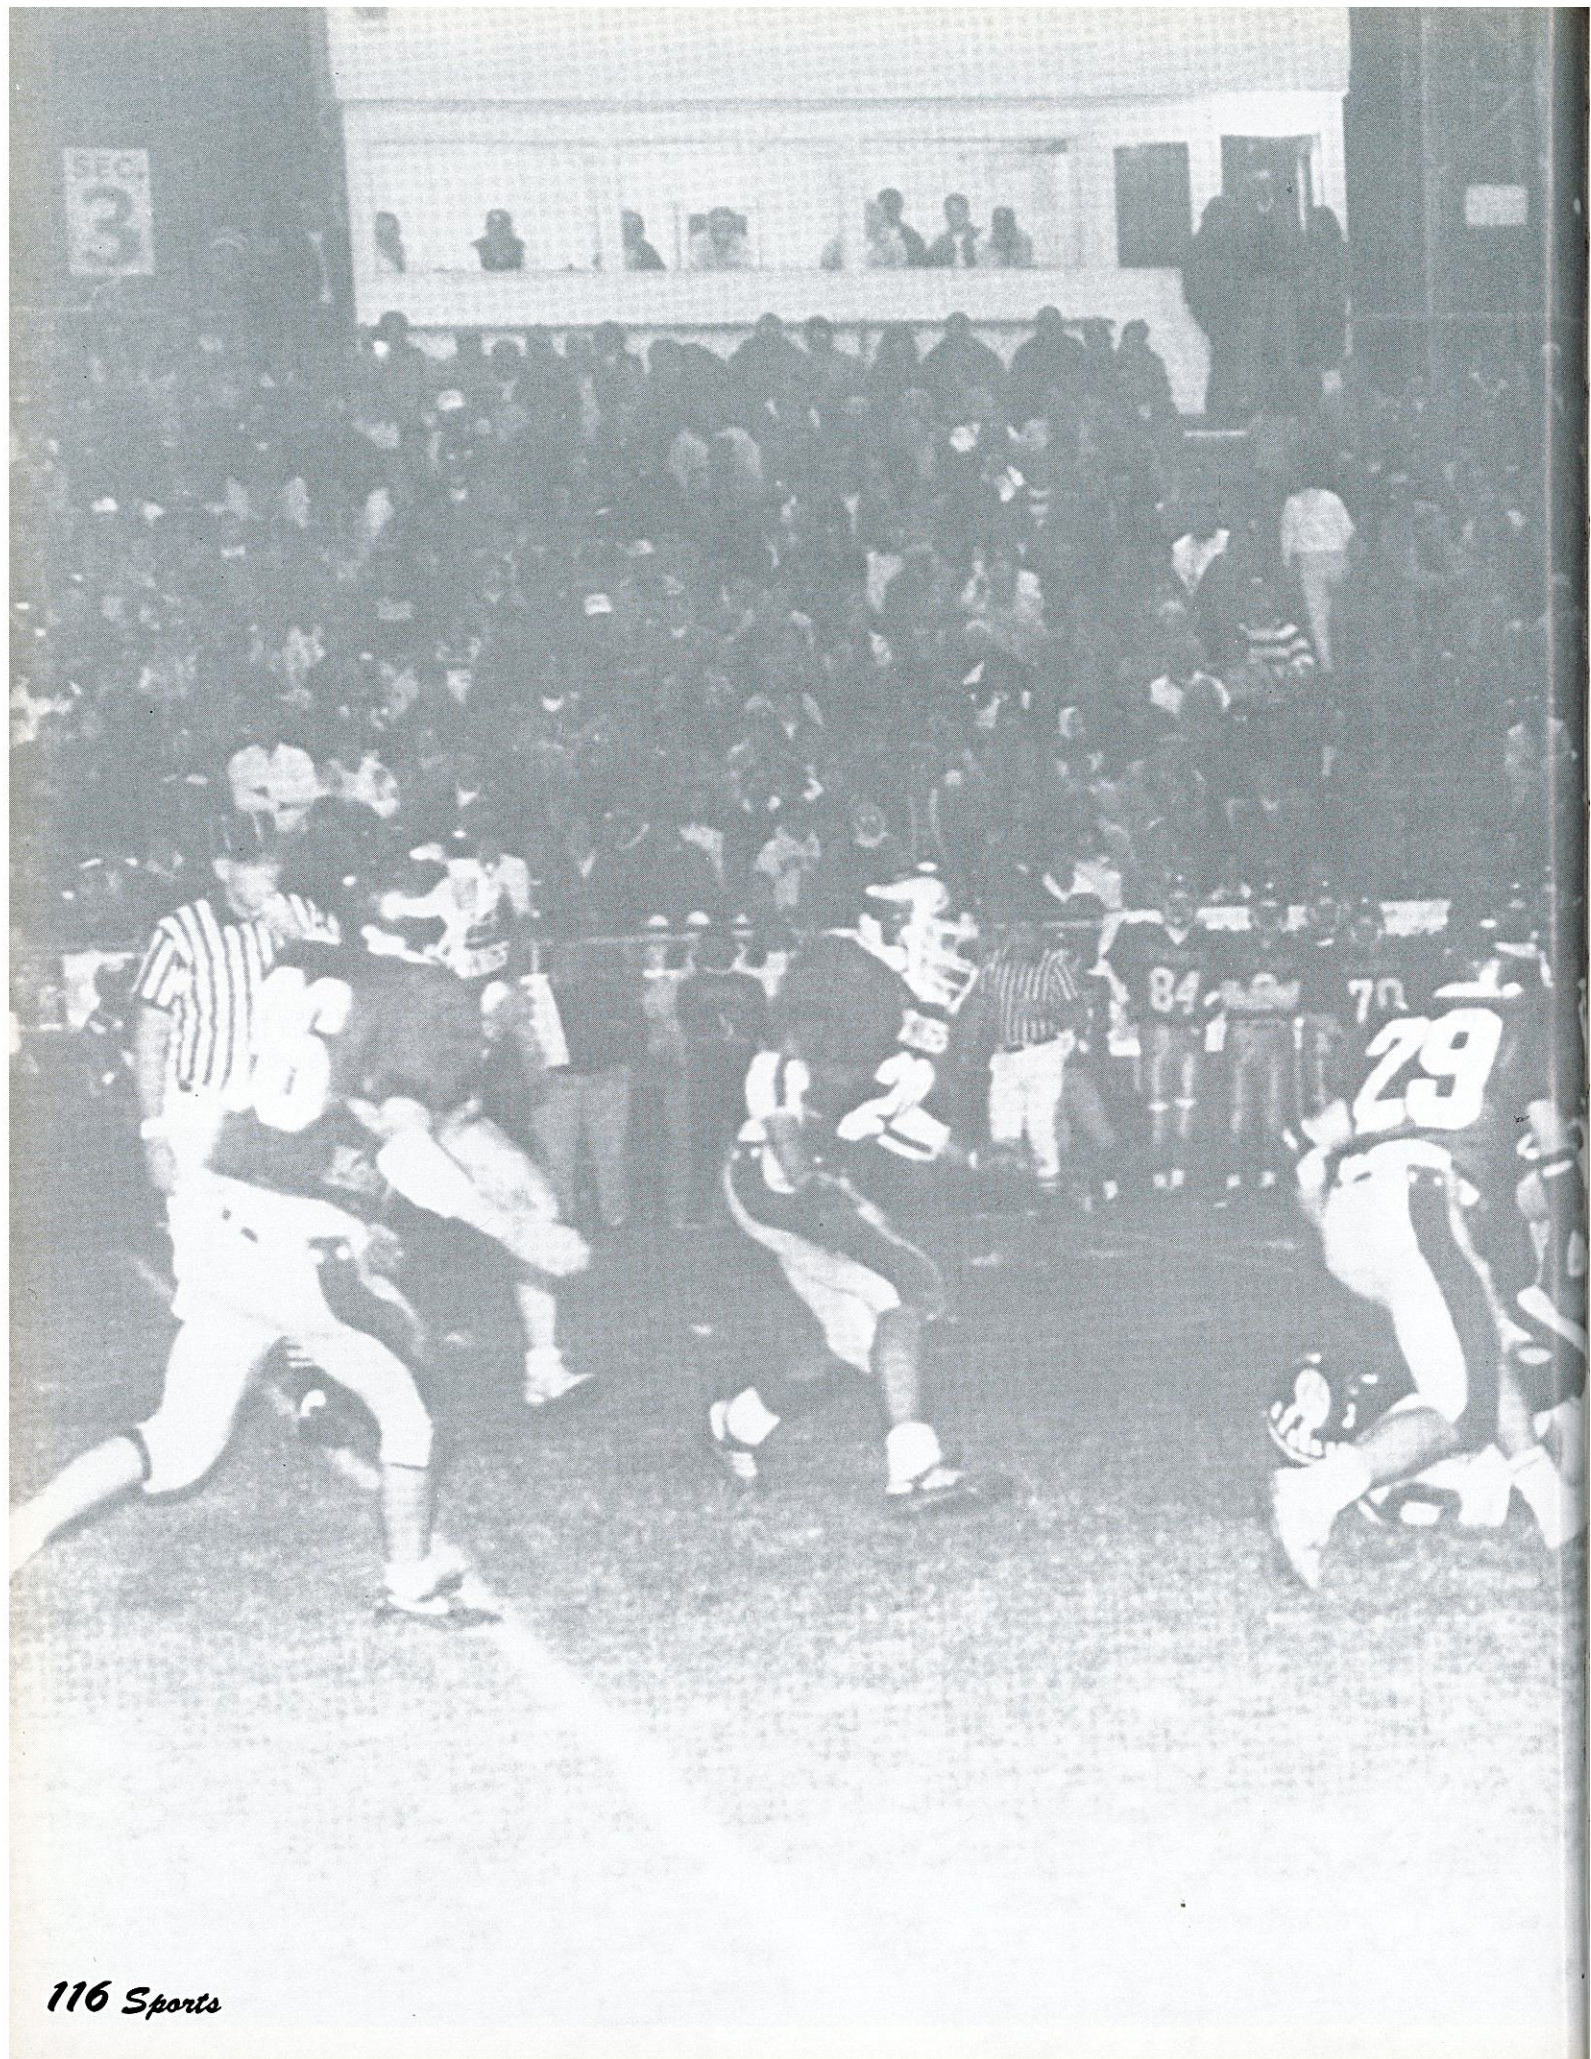

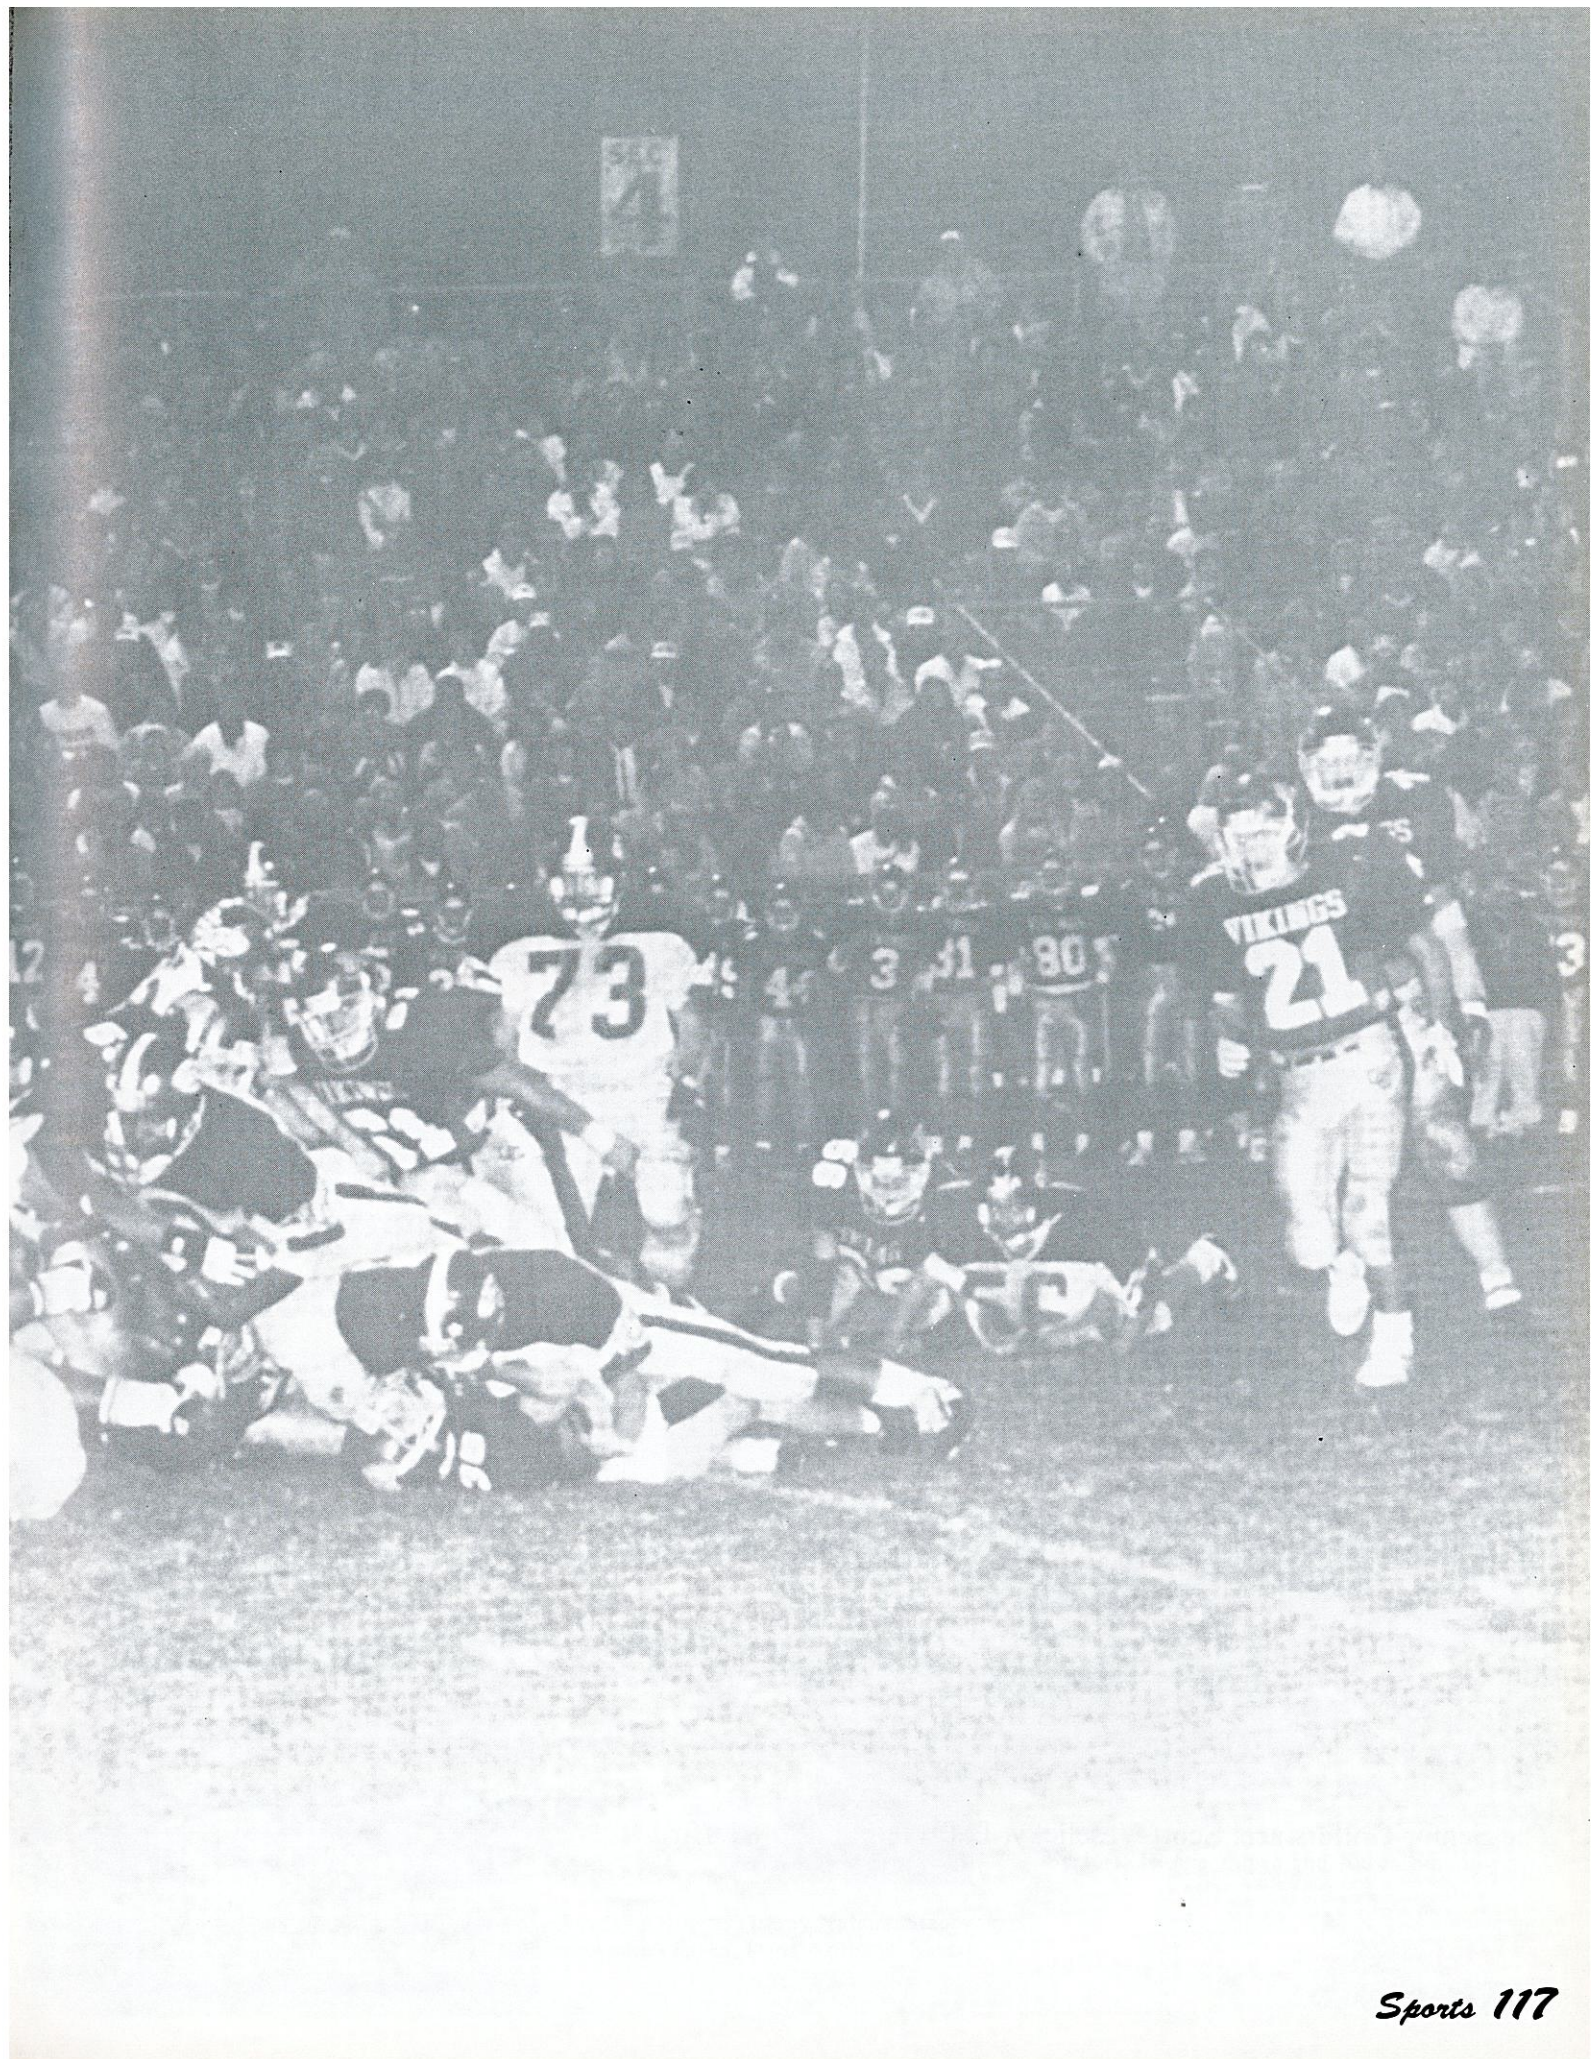

Kiski provides many clubs and activities for us students; unfortunately, they all meet when the vo-tech students are not here. VICA is a club just for the students that attend the Northern Westmoreland Vocational School. The club does a variety of fundraisers to support many exciting trips. In January, the club went to Seven Springs to ski, roller skate, and just relax. The club is advised by Dr. Kunkle, the medical assistance teacher.

All Vo-Tech students succeed at what they do whether it's showing their artistic abilities, or performing their mechanical ones.

On which team can you find the future Arnold Palmers? Why, Kiski Area's Golf Team, of course! Under the direction of Mr. Veselicky, these "9-iron" men slave after school for hours on end in order to perfect their high-flying strokes. Neither hail nor snow can stop these guys from conquering the 18th hole. So the next time you pass a Kiski golfer practicing his stroke, yell "FORE!" and pat him on the back. Remember, he's on your side!

Coached by Mrs. Pollick, The K.A. Volleyball team works very hard on their conditioning week. Each girl must be able to pass the Presidential Physical Fitness test in order to be conditioned. Not only do the members maintain their physical shape, but they must maintain at least a "C" average in their school-work.

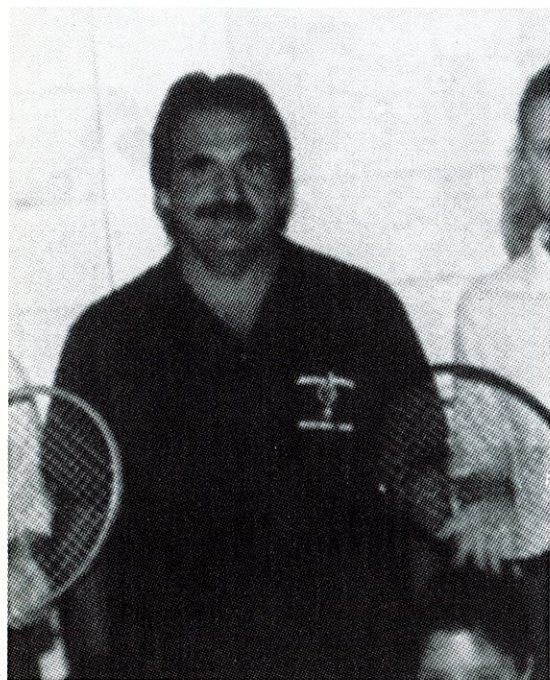

Next year, Mrs. Pollick hopes to add sand courts to the sports facilities for everyone to use. Also, she hopes that next years team can make playoffs and State Finals.

Kiski's hard-working boys' and girls' tennis teams slammed into the 91-92 season with high hopes and great expectations.

Coached by Mr. Louis Santia and Mr. Ceraso respectively, both teams practiced harder than ever to uphold Kiski's traditional values of success in athletics. Practices were attended by these ambitious tennis stars two hours daily. They grueled over their skills, drills, game situations, conditioning, and strategies.

By teaching all aspects of the game, Mr. Santia and Mr. Ceraso produced Kiski's successful and well-rounded tennis teams.

No, it's not the football or basketball team. It's the soccer team! These guys and gals may not get as much recognition as the other teams here at Kiski, but they definitely deserve it. This team is probably the only one that has to walk a mile just to get to its practice field! And if that isn't enough, they then have to practice for hours on end day after day to try and perfect their kicks and blocks. Even in rain and cold these dedicated young soccer players are out there practicing with all of their might. During their matches this practicing pays off, though. It's certain that the teams' coach, Mr. Heder, is very proud of them.

Sharing victorious moments and disappointments brought many new friendships into the team. This helped the team work together and bring many victories to Kiski!

Kiski is, perhaps, best known for its academic standards and scholastic achievements, but the Athletic Department has also greatly contributed to Kiski's fame.

Under Coach Richard Dilts and his staff, the Cavaliers went into every game ready to win. Unfortunately, they did not win every game, but they gave it their best and made the students and faculty of Kiski Area very proud.

The girl's basketball team coached by Mr. Pipkins, had a very promising season this year. After losing their first two games, these hard-working players realized they could play better. By working harder at skills and team concepts, the team was on their way to a record season.

Two returning letter-winners this year were seniors, Sharon Foley and Jennie Carroll. Coach Pipkins said, "They provided a good nucleus for the team." These co-captains helped the basketball team place third in Seneca Valley Tournament.

The hard work and dedication of this year's team led them straight to the top!

This year's boys' basketball team consists of many young, inexperienced players. As Coach Mr. Intrieri stated, "This years team has been struggling but has continued to work hard at practice."

The under classmen are gaining valuable experience and the seniors have continued to have a strong work ethic. Good luck to the boys' basketball team in the Future.

Coach Tursky has brought the wrestling team to many victories in the past 4 years. Mental and physical fitness are two points that are stressed and worked on during their grueling practices.

These athletes train both during the season and in the summer. Weight lifting, distance and endurance running are a few ways the team is kept on their toes.

Ron Rollinger, junior, says, "It takes a lot of work, but if you enjoy the sport, it is well worth it."

Below: Mike Flanyak and Doug Joseph demonstrate some difficult techniques.

Kiski's swim team dove into the 91-92 season with a strong desire to win! After many intense hours of practice, the team agrees that their accomplishments have paid off. The goals of the boys' and girls' teams have been reached and extended.

Strength and talent play an important role in the swimming challenge. Our swim team has proved what a team really is.

Any common day at swim practice you will hear, "Give me four more laps of freestyle and eight more backstroke," from the team's coach, Chrissy Troilo.

Chrissy receives a lot of the credit for helping Kiski's swim team strive to be their very best.

The Kiski Area Baseball Team had a fair season this past year. Coached by Jack Jewart, these players worked to the best of their ability. Although this year's team was young, there are many returning players that will make yet another talented team. What this team lacked in experience, they made up for in enthusiasm. These upcoming boys are ones to watch!

The Girls Varsity Softball Team went into the 1991 season with high hopes and great expectations. Most of the team's starters had been members of the previous year's Section IV Championship team, so experience had been added to talent. Unfortunately, a season-long injury to starting catcher Jackie Morlacci, some bad luck and too many errors led to a losing season for the Lady Cavs, the first one in four years. Still there were a number of bright spots: MVP Linda Keibler and all-around talent Meghan Kelly joined Shellee Klingensmith, Laurie Kupec and Kerri Troup on offense to produce a .274 team average, 20 points higher than the previous year. Kerri Troup, although her record didn't reflect it, pitched well game after game; and Christie Bauman, Meghan Kelly and, when healthy, Jackie Morlacci, provided stellar defense.

CHEERLEADERS

The Kiski Area Cheerleaders have the awesome task of bringing out our school spirit and getting us "fired-up" at pep-rallies and all sporting events. Their enthusiasm shines through in their various catchy cheers, rhythmic chants, and funky dances. The cheerleading squad is made up of a group of girls who truly enjoy what they do, and it really shows in every way.

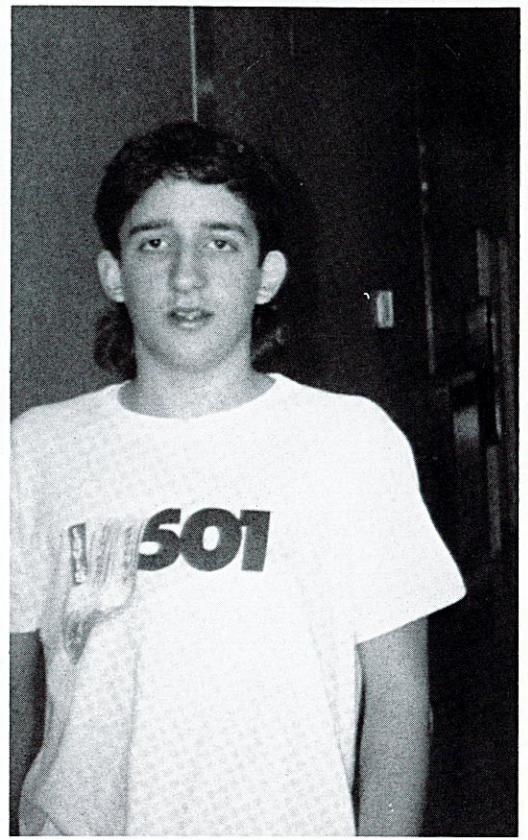

Sitting: Carolyn Smith, Dave Ridenour, Sherry Siford; Standing: Terri Ash, Ruth Lubik, Karen Sampson

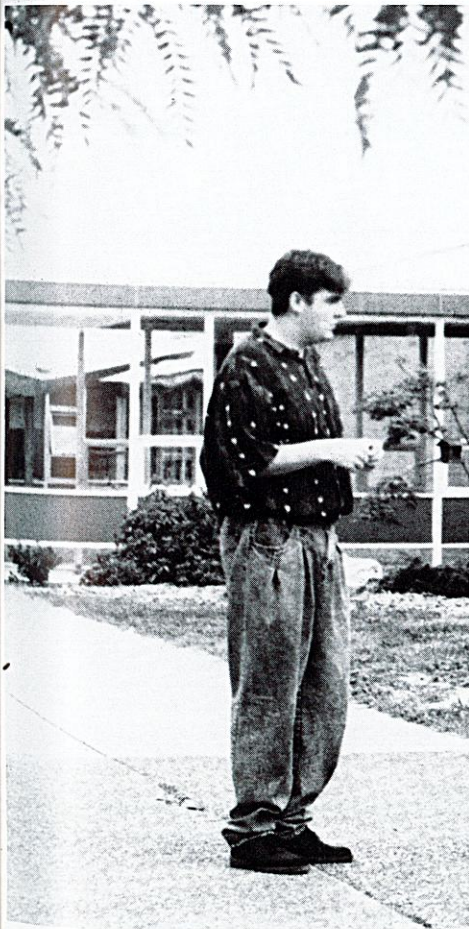

A group of students who dedicate themselves to helping all of Kiski's athletic teams are the Trainers. They go to all of the games and practices to help out with injured players. They also help by cheering on the teams before and after the game. This is a group of students who are greatly appreciated by all who participate in sports.

Cavalier Choir

Concert Choir

Kiski's music talent goes far beyond the band. Vocal talent is found in the numerous Choirs here at KAHS. Mrs. Ellen Rupert works extremely hard teaching all of Kiski's Choirs. On her second year of teaching here, Mrs. Rupert keeps the traditional choirs, however adds her own personal touch. The Show Choir involves students selected by Mrs. Rupert. These students work hard to improve their dance steps and vocal sounds to prepare for concerts. Members of all choirs were given the opportunity to attend a trip to Canada to see "Phantom of the Opera". With the help of their Chorus Boosters many fundraisers were held to raise the money for the trip! Whether a student is a member of the Ninth Grade Chorus or the Cavalier Choir they deserve great recognition.

The National Honors Society consists of students who achieve outstanding grades, participate in activities, provide help, and have a good spirit. A panel of certain teachers nominate these students. These recommendations are reviewed before being inducted. Throughout the year these students hold several coffee houses. A unique candlelight ceremony is held to induct it's new members.

Mr. Brozovich admires Dennis' support for the National Honor Society.

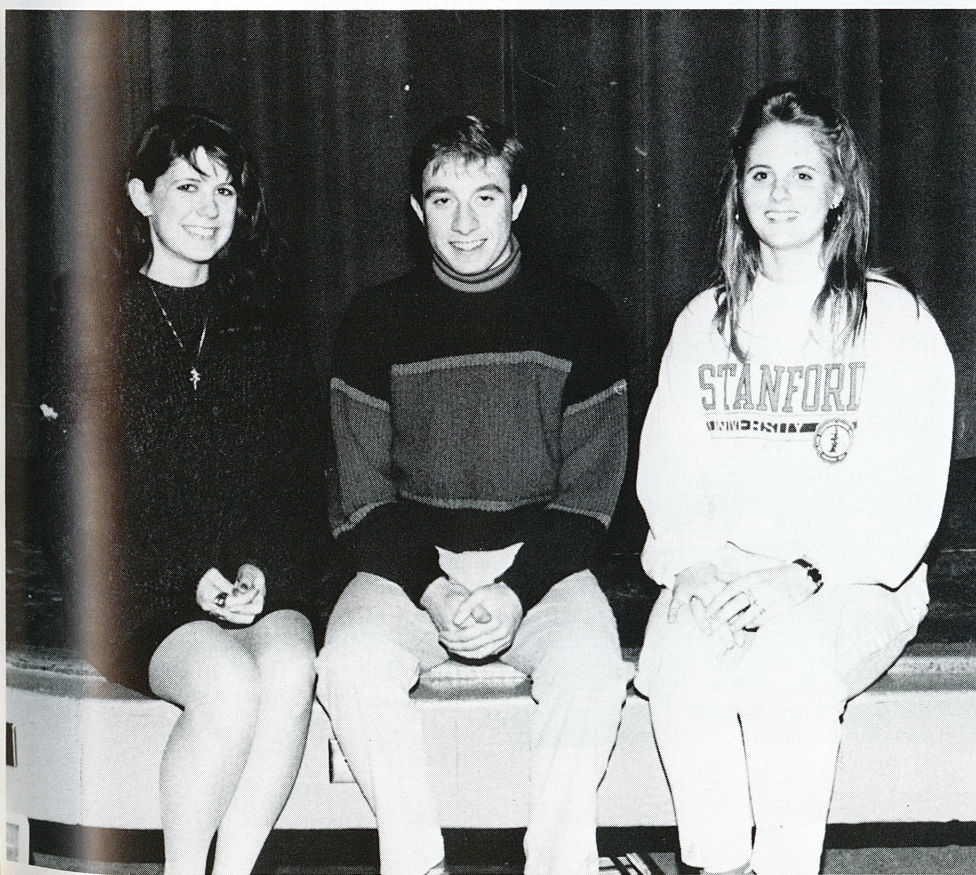

Gifted Forum

Beginning in the sophomore year, exceptional students take part in the Gifted Forum. These students are not only placed in accelerated classes, but they also take a national, computerized test once a semester. The test scores are compared to other gifted student's scores. They also attend the World Fair Council in Pittsburgh, located in the US building on Grant Street. They also vote on the projects that they want to do at the beginning of the year.

Literary Magazine

Kiski has had many undiscovered young writers, until the Literary Magazine captured their writings. The authors are students in grades 7-12. However, the Gifted English students get the grueling job of editing and producing the magazine. These editors meet with the advisor Mr. Ronald Norton once a week. For the last two years the magazine has been a huge success and the future looks bright.

These students also enjoy going to math meets. The math meets are held at surrounding schools. Each school tries to solve the most math problems in order to claim first place. Even though the competition is serious, the students learn from each other and make new friends. The Math Club and Math Team are sponsored by Mrs. Scales, a calculus teacher here at Kiski.

¿Que Pasa?

Kiski's own Spanish newspaper, better known as ¿Que Pasa? is the only school paper in Western Pennsylvania written in the Spanish language. Advised by Mrs. Betty Love, the newspaper is usually published on holidays and distributed to the Spanish students. Kathy Moro, senior and head editor, was appointed by Mrs. Love. Juniors Jennifer Bothell and Kate Jamerson are the co-editors who volunteered for the positions. Other members of the Que Pasa? help to write the articles. Student Secretary

Student secretaries, under the direction of Mr. Cappo, perform many valuable services for Kiski's teachers each year. They typed, ran errands, searched for library books, and duplicated materials. With the help of coach Ronald Norton and lawyer-advisors Tim Geary, Jerry Little and Larry Loperfido, fifteen students prepared for the grueling competition. Mr. Norton believes the reason the team is so successful is because they work so well together.

Thought For The Day

Every morning, to begin the announcements, you hear a cheery voice over the P.A. system. This enthusiastic voice belongs to Matt Ahlquist, Gwen Kowal, or Sonya Steinback. These are the members of the Thought For The Day Club. These students, along with Mr. Max Israel, work very hard to find these quotes that are heard every morning.

SADD

The members of Students Against Drunk Driving set themselves up as examples for the entire student body at Kiski Area. The responsibility of not drinking and driving is a heavy one, but the members of SADD do an excellent job at getting their point across. They do this through planning assemblies, hanging posters throughout the halls, passing out information at the Christmas Telethon, and checking drivers for seatbelts. They are assisted by Mr. John Woitas

Who can get out of study hall and legally roam the halls? A library aide. Some of the other jobs they do include shelving books and magazines, checking books in and out, and setting up micro film. The hard work and effort from these students is appreciated by all who find themselves in the library.

The Puzzle Of Life

Life is a complex puzzle with many different pieces.

Each piece symbolizes the problems that occur in everyday life and our quest to find the answer in each day that passes.

In this mystery, few find gratitude or the answers they are searching for. In every puzzle, there is just one piece missing, or a piece that just doesn't seem to fit. But once, every once in a while you find a piece that fits, then you find another, and so on. And finally, before you know it, you are sitting back, looking over your own complete puzzle. In this puzzle, you not only achieve the answers you were looking for, but you get that certain sense of a job well done. So just when you think that something is missing from your life, or something just doesn't fit, sooner or later you are going to come across all the missing pieces and end up with something that very much resembles happiness.

Tradition,
It carries on memories.
The memories that last a lifetime.

Tradition,
It's a custom of every generation.
Preserving the old, and forming the

Tradition,
It hands an opinion from father to

The opinion that will last a lifetime.

KISKI AREA ALMA MATER

Hail to thee, O Kiski High we pledge allegiance true,
May your colors be remembered, gold, the white and navy
blue,
As the students of this high school we will always sing thy
praise,
Loud and clearly hear our voices telling of our high school
days.
As the graduating class we promise to uphold
All the standards and ideals, that we'll never let grow old.
Time has come for us to leave now, loving sadness fills our
hearts.
Slowly now we turn away, sad but proudly we depart.
Thru thy friendly halls we pass, thinking not of what's to
be,
Knowing not in years to follow, many thoughts will turn to
thee.
In thy building memories linger, happy thoughts of days
gone by,
Days we'd like to live all over, days at dear old Kiski High.

Flags fluttering from the top of a crowd-filled stadium, the traditional run with the blazing torch to the arena, and the five Olympic Rings are all signs of the Olympic Games. 1992 brought the Olympics to Kiski. Christal Divens and Sherry Burkett, juniors, both agree that the Olympics are interesting to watch. Annette Shero and Holly Haugh enjoy watching the figure skating, above all other events. Terri Fulton and Scott Cignetti said that if they could compete in the 1996 Olympics it would be in the baseball events. Who knows, one of Kiski's athletes could be in the 1996 Olympics.

Are These Kiski Students Olympic Bound?

On November 14, 1991, the band left Kiski Area with dreams of returning National Champions. On November 16, the band took part in preliminary competition held at the Hoosier Dome in Indianapolis. The band placed first overall in Class AA competition. The Cavaliers and eleven other bands took place in the finals later that evening. Kiski Area was announced as being the third best in the nation.

Upon the band's arrival home, they received a police escort from Greensburg, and welcome and congratulations signs made by band parents lined the roads from New Stanton to the school. Many parents, friends, family members, and news cameras greeted the band and congratulated the band on their title. No band member will ever forget the excitement of this season.
